

YAKIMA VALLEY REGIONAL LIBRARY

Contracting Cities Utility and Janitorial)
Cost Reimbursement Calculations)

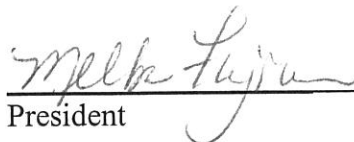

Resolution
05-013

WHEREAS, the formula specified in the 1986 contracting cities contract amendments for maintenance costs may no longer bear relation to actual expenses for utilities and janitorial service; and

WHEREAS, the state auditor has advised the Library that reimbursement of prorated actual costs is the preferred method of accounting,

NOW BE IT THEREFORE RESOLVED that this Board authorizes the Executive Director to explore, research, and implement changes in the contracts as needed to meet the fiscal requirements and needs of the Yakima Valley Regional Library District.
