

YAKIMA VALLEY REGIONAL LIBRARY

Repeal of Chapter Three, Classification Plan, of the
Yakima Valley Regional Library Personnel Policy

RESOLUTION
#06-008

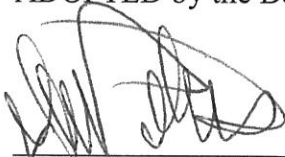

WHEREAS, the Yakima Valley Regional Library has determined that the process for classification of positions and requests for reclassification as outlined in Chapter Three (3) of the Personnel Policies is being uniformly applied to all positions in the current compensation and classification study;

WHEREAS, the current policies in Chapter Three (3) of the Personnel Policies could greatly delay the completion and implementation of the compensation and classification recommendations;

WHEREAS, there is a need to take action to repeal Chapter Three (3) of the Personnel Policy;

NOW, THEREFORE, BE IT RESOLVED THAT Chapter Three (3) of the Yakima Valley Regional Library Personnel Policy is repealed effective May 23, 2006 and that the process for requesting a future reclassification will be determined when the Personnel Policy is revised or updated.

ADOPTED by the Board of Trustees this 23rd day of May 2006.
