

## YAKIMA VALLEY LIBRARIES

In the Matter of:  
*Yakima Valley Libraries*  
Alternate Fuel Requirement

**RESOLUTION**  
**# 18-006**

WHEREAS, the Trustees of Yakima Valley Libraries review and establish policy;

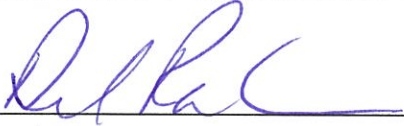

WHEREAS, the Washington State Legislature adopted RCW 43.19.648 requiring local governments to convert their vehicle fleets to electricity or biofuel by June 1, 2018 where practicable;

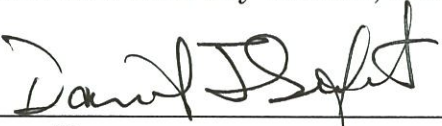

WHEREAS, Where *practicable* is defined under WAC 194-29-020(7) as “the extent to which alternative fuels and vehicle technologies can be used to displace gasoline and diesel fuel in vehicles, as determined by multiple dynamic factors including cost and availability of fuels and vehicles, changes in fueling infrastructure, operations, maintenance, technical feasibility, implementation costs, and other factors”;

WHEREAS, Yakima Valley Libraries is a small agency and replacing or retrofitting the current fleet is not *practicable* at this time;

NOW, THEREFORE, BE IT RESOLVED that the Yakima Valley Libraries Board of Trustees determine it is not practical to replace or retrofit the current fleet, but will review standards for future vehicles to be purchased after June 1, 2018.

ADOPTED BY THE BOARD OF TRUSTEES this 25th day of June, 2018.
