8. APPARENT SUCCESSFUL VENDOR

An Evaluation Committee will select the Apparent Successful Vendor who most closely meets the requirements of this RFQ. Quotes received will be evaluated on the basis of price, schedule, and references. After successful contract negotiations have been completed, the Apparent Successful Vendor will be awarded a contract to run (2) Cat5e network cables approximately (200) feet from the existing patch panel in our network rack and terminate at a designated location following the path designated by a YVL representative.

The Contract will incorporate all requirements, terms, and conditions of this RFQ and the Apparent Successful Vendor’s proposal as negotiated. If Yakima Valley Libraries fails to negotiate a contract with the Apparent Successful Vendor, the Library District reserves the right to negotiate a contract with the next most qualified Vendor. The award of a contract pursuant to this RFQ is expressly conditional upon the execution of a contract document deemed acceptable by Yakima Valley Libraries.

All proposals are considered confidential in nature. However, upon submission of a Public Records Request Form, in accordance with Yakima Valley Libraries’ Inspection of Public Records Request Policy and Procedure, they will be made available.

9. PREVAILING WAGE REQUIREMENTS

Prevailing Wage Laws are applicable to the services outlined in this RFQ. As such, the requirements listed below apply.

A. Contractor Responsibilities:

a. Pay the prevailing rates of pay to laborers, workers, and mechanics as published on the Labor and Industries website as of the bid due date of this RFQ. Your quote to include the applicable categories and prevailing wage rates for the work to be performed per your quote. Prevailing Wage Rates for Yakima County apply.

b. Annual updates to prevailing rates of pay are required for building service maintenance contracts and will be adjusted annually per the prevailing wage rates available at the following URL:

http://www.lni.wa.gov/TradesLicensing/PrevWage/WageRates/default.asp
c. Upon prior approval from YVL for projects under $2,500; provided that there will be a single billing for all services performed the vendor may complete the online Combined Intent and Affidavit Form. Payment shall not be released until L&I approves the prevailing wage forms and YVL has been provided with the vendor's current W-9 and contractor registration # (when applicable).

d. Ensure all subcontractors file their Intent and Affidavit forms, if applicable.

e. Keep accurate work and pay records and submit a certified copy upon request.

f. Notify Awarding Agency when a subcontractor is going to be starting work and to provide an Intent form before they commence work on the project.

g. For a contract in excess of $10,000, a contractor shall post in a location readily visible to workers at the job site a copy of the Statement of Intent to Pay Prevailing Wages form approved by the industrial statistician of the Department of Labor and Industries; and the address and telephone number of the industrial statistician of L&I where a complaint or inquiry concerning prevailing wages may be made.

h. As provided by Prevailing Wage Laws, for contracts over $35,000, retainage in the amount of 5% will be withheld.

11. SCOPE OF WORK

Yakima Valley Libraries (YVL) is seeking a vendor for a Yakima County prevailing wage project. The vendor would run (2) Cat5e network cables approximately (200) feet from the existing patch panel in our network rack and terminate at a designated location following the path designated by a YVL representative. All site visits must be scheduled with RFQ coordinator.

Project is to include:
- Termination of (2) Cat5e plenum rated network cable approximately (200) feet from existing patch panel in network rack to designated location per path designated by a YVL representative.
- Install (1) recessed back box with (2) keystone jack and a faceplate to match.
- Test and label all terminations at both ends with labeling to be approved by the designated YVL representative.
- No plastic zip ties are to be used, Velcro or other YVL representative approved methods are acceptable.
- All cable is to run per path designated by YVL representative above ceiling, under the floor, through the wall, or in cable concealment and be properly bundled together and supported by the building structure.
- Any holes created from cable installation must be approved, patched, and painted with vendor supplied materials.
- Remove all debris from site daily, leaving all work spaces in a clean and orderly manner.
- Obtain all required permits and arrange for any inspections required for this project.

Vendor is to provide in their quote: all labor, parts, equipment, miscellaneous supplies, filing fees, and permits to complete this project. Vendor must list separately the costs for labor, materials, and fees on their official quote.
