Written approval must be obtained from YVL prior to performing any additional services not included in this RFQ.

### 4. PROJECT LOCATION

Buena Library  
801 Buena Rd  
Buena, WA 98921  
Yakima County

### 5. CERTIFICATIONS AND REQUIREMENTS

- A. All contractors, subcontractors, and vendors must be licensed and bonded.
- B. Certificate of insurance; naming Yakima Valley Libraries is required.
- C. Vendor must have an active L & I Prevailing Wage Intent & Affidavit Account (PWIA).
- D. Valid Unified Business Identifier (UBI)
- E. All contractors, subcontractors, and vendors must have a valid Service Provider Identification Number (SPIN) and follow all E-Rate rules.

### 6. REFERENCES

Quote submitted will include 3 commercial references for comparable work / projects. References should include the company name, name of the contact person, phone number, email, and whether the project involved E-Rate.

### 7. APPARENT SUCCESSFUL VENDOR

An Evaluation Committee will select the Apparent Successful Vendor who most closely meets the requirements of this RFQ. Quotes received will be evaluated on whether or not the vendor has a SPIN, and on the basis of price, schedule, and references. After successful contract negotiations have been completed, the Apparent Successful Vendor will be awarded a contract to remove (5) network cables from the existing patch panel in our network rack, run (6) new Cat6 cables from existing patch panel, and terminate at designated locations per Attachment A.

The Contract will incorporate all requirements, terms, and conditions of this RFQ and the Apparent Successful Vendor's proposal as negotiated. If Yakima Valley Libraries fails to negotiate a contract with the Apparent Successful Vendor, the Library District reserves the right to negotiate a contract with the next most qualified Vendor. The award of a contract pursuant to this RFQ is expressly conditional upon the execution of a contract document deemed acceptable by Yakima Valley Libraries.

All proposals are considered confidential in nature. However, upon submission of a Public Records Request Form, in accordance with Yakima Valley Libraries' Inspection of Public Records Request Policy and Procedure, they will be made available.

## 8. PREVAILING WAGE REQUIREMENTS

Prevailing Wage Laws are applicable to the services outlined in this RFQ. As such, the requirements listed below apply.

### A. Contractor Responsibilities:

- a. Pay the prevailing rates of pay to laborers, workers, and mechanics as published on the Labor and Industries website as of the bid due date of this RFQ. **Your quote must include the applicable categories and prevailing wage rates for the work to be performed per your quote. Prevailing Wage Rates for Yakima County apply.**
- b. Annual updates to prevailing rates of pay are required for building service maintenance contracts and will be adjusted annually per the prevailing wage rates available at the following URL:  
  
<http://www.lni.wa.gov/TradesLicensing/PrevWage/WageRates/default.asp>
- c. Upon prior approval from YVL for projects under \$2,500; provided that there will be a single billing for all services performed the vendor may complete the online Combined Intent and Affidavit Form. Payment shall not be released until L&I approves the prevailing wage forms and YVL has been provided with the vendor's current W-9 and contractor registration # (when applicable).
- d. Ensure all subcontractors file their Intent and Affidavit forms, if applicable.
- e. Keep accurate work and pay records and submit a certified copy upon request.
- f. Notify Awarding Agency when a subcontractor is going to be starting work and to provide an Intent form before they commence work on the project.
- g. For a contract in excess of \$10,000, a contractor shall post in a location readily visible to workers at the job site a copy of the Statement of Intent to Pay Prevailing Wages form approved by the industrial statistician of the Department of Labor and Industries; and the address and telephone number of the industrial statistician of L&I where a complaint or inquiry concerning prevailing wages may be made.
- h. As provided by Prevailing Wage Laws, for contracts over \$35,000, retainage in the amount of 5% will be withheld.

## 10. SCOPE OF WORK

Yakima Valley Libraries (YVL) is seeking a vendor for a Yakima County prevailing wage project. The vendor would remove (5) network cables from the existing patch panel in our network rack, run (6) new Cat6 cables from existing patch panel, and terminate at designated locations per Attachment A.

Project is to include:

- Removal of (5) network cables from existing patch panel connected to location labeled “old location” on attachment A.
- Replace (3) faceplates with vendor supplied blank brass metal faceplates approved by the designated YVL representative in location marked “old location” on attachment A.
- Termination of (6) Cat6 vendor supplied network cables from existing patch panel in network rack to designated “new locations” per attachment A.
- (3) floor brass metal recessed back boxes with (2) or (1) keystone jack(s) using existing faceplates from “old location”, if possible otherwise vendor must supply brass metal faceplates, in “new location” per attachment A.
- Vendor supplied: (1) ceiling recessed back box with (1) keystone jack and faceplate in “new location” per attachment A.
- Test and label all terminations at both ends with labeling to be approved by the designated YVL representative.
- No plastic zip ties are to be used, Velcro or other YVL representative approved methods are acceptable
- All cable is to run above ceiling, under the floor, through the wall, or in cable concealment and be properly bundled together and supported by the building structure.
- Any holes created from cable installation must be approved, patched, and painted to match with vendor supplied materials.
- Remove all debris from site daily, leaving all work spaces in a clean and orderly manner.

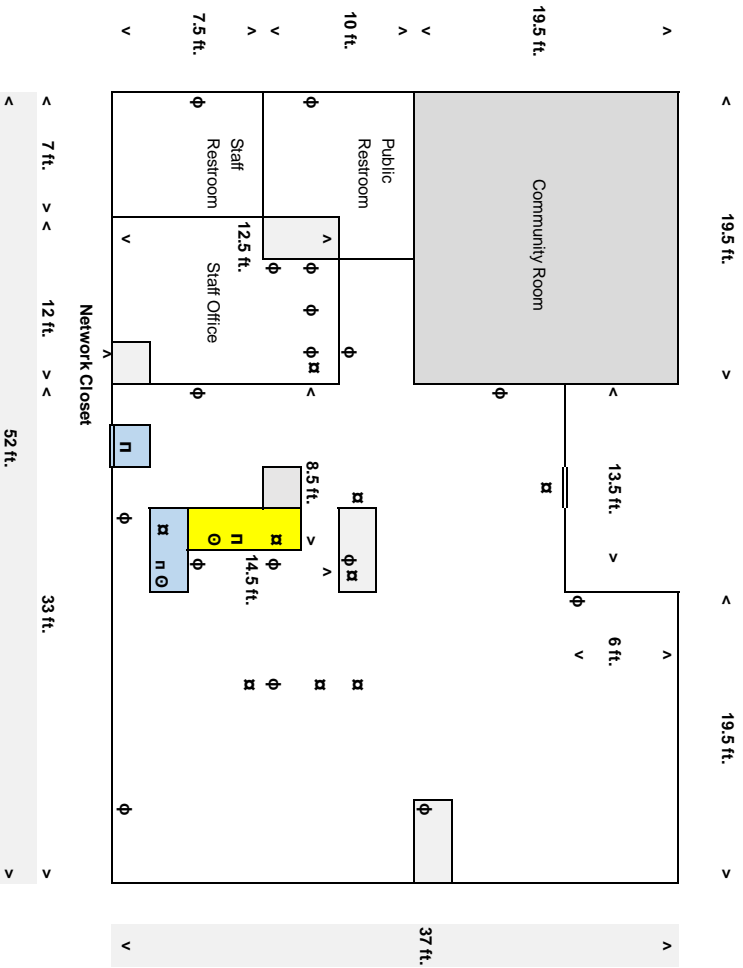

Vendor is to provide in their quote: all labor, parts, equipment, miscellaneous supplies, filing fees, and permits to complete this project.

**Vendor must list separately the costs for labor, materials, and fees on their official quote.**
