

RFP-22-001 Community Needs Assessment and Strategic Plan

Questions – Round 4

1. What is driving the timeline?

The proposed project schedule/timeline is a guideline, and potential vendors can respond with any recommended adjustments to the timeline in their proposal for consideration.

2. Is there flexibility in shifting the timeline? To meet the deliverables stated in the RFP and have the assessment survey inform the strategic plan, could a consultant propose shifting the timeline back?

The proposed project schedule/timeline is a guideline, and potential vendors can respond with any recommended adjustments to the timeline in their proposal for consideration.

3. Is this work funded?

Yes, it is funded, but as stated in the RFP, YVL reserves the right to cancel this Request for Proposals.

4. Is there an incumbent?

This is a competitive bidding process. All proposals will be evaluated based on the criteria provided in the RFP.
