Yakima Valley Libraries Celebrates Library Card Sign-Up Month with a Drawing Contest

Yakima, WA – September is National Library Card Sign-Up Month, a time to remind everyone of the value a library card can bring. Yakima Valley Libraries is excited to celebrate this special occasion by hosting a drawing contest open to all ages. We invite community members to participate, showcase their creativity, and discover all the resources that a library card offers!

National Library Card Sign-Up Month

National Library Card Sign-Up Month is an annual celebration that highlights the importance of library cards in fostering lifelong learning and access to information. Yakima Valley Libraries proudly serves the majority of Yakima County with 16 branches dedicated to meeting the educational, cultural, and informational needs of our community. With a library card, residents can access a vast collection of books, e-books, audiobooks, online resources, educational programs, and much more—all for free!

“We're excited to celebrate Library Card Sign-Up Month by encouraging our community to explore the wealth of resources available at our libraries,” said Sully Gama, Marketing Manager. “A library card is more than just a card—it's a passport to endless opportunities for learning, growth, and entertainment.”
